An Introduction to the
Tuition Incentive Program (TIP)

Ask your High School Counselor
about TIP Scholarships today!

How to benefit from TIP Scholarships

What is TIP?

The Tuition Incentive Program (TIP) is a state program that pays for the first two years of college...for eligible students.

How do I know if I qualify?

If you answer yes to all four of these questions then you are eligible for the Tuition Incentive Program:

1. Have you ever been on Medicaid for 24 months within a 36 consecutive month period?
2. Will you have obtained a high school diploma or GED by age 20?
3. Are you a Michigan Resident?
4. Are you a U.S. citizen?

Will I be notified?

1. Students can be identified as TIP eligible as early as the 6th grade or when they are 12-years-old.
2. The Department of Treasury will notify you about your eligibility via a letter. It is important to **KEEP THAT LETTER.**

Steps to Take BEFORE High School Graduation

1. Talk to your counselor about the TIP. Your school counselor can help you:
 - ✓determine your eligibility
 - ✓apply for TIP, and
 - ✓inform the school of your choice.
2. Fill out the application form and mail it in.
3. **KEEP THE LETTER** you will receive from the Department of Treasury detailing your eligibility.
4. You **MUST** notify the state that you are interested in utilizing your TIP scholarship by calling **1-888-447-2687**.
5. You **MUST** send/fax the letter of credit to the college you plan to attend.

Muskegon Opportunity is funded by:

Community Foundation for Muskegon County (CFMC) ▲ Thomas and Geraldine Seyferth Advised Fund of CFMC
Muskegon Area Chamber of Commerce ▲ Muskegon Community College ▲ Baker College of Muskegon
Grand Valley State University ▲ Ferris State University ▲ Western Michigan University ▲ Michigan College Access Network (MCAN) ▲ Michigan Department of Energy, Labor & Economic Growth ▲ Alcoa Foundation
House Family Foundation ▲ CNJ D'Arcy Foundation ▲ Kresge Foundation ▲ Individual Donors: Fisher Family Fund, Mr. & Mrs. Thomas Tuttle, Brian Barber, Mr. & Mrs. Patrick Shafer, Mr. Peter Turner, and Webb Chemical.

Phase 1

Once in College, Phase 1 Begins

TIP will cover tuition and mandatory fee charges but...

- You must enroll in an associates degree program or certificate program.
- You must be enrolled at least half time (6 credit hours or more).
- If you receive additional financial aid, you may need to be full-time (at least 12 credit hours). Contact the college or university's financial aid office for details.

Phase 2

While in College—Phase 2 begins:

It will provide a maximum of \$500 per semester up to a maximum of \$2,000 total tuition assistance for credits earned in a four-year program.

- When you complete an associate degree you will need to transfer into Phase 2 of the TIP Scholarship.
- In order to successfully transfer to Phase 2 you must contact the State of Michigan for a letter of credit for Phase 2. This needs to be done the semester before Phase 1 ends.
- You can call the State of Michigan toll free at **1-888-447-2687**.
- You then must send the Phase 2 letter of credit to your college or university.
